Bandits"; a modern rock band
based in SLC Utah.

WORK HISTORY

**True Leaf Market - Sales and Marketing Process Design
Assistant**

Salt Lake City, UT • 05/2022 - Current

- Designed new systems to be implemented in in-house inventory software.
- Investigated issues across multiple departments to identify their needs and how to implement them.
- Presented broad plan and specific designs during weekly meetings.
- Worked with a team to brainstorm the best way to implement new designs.

True Leaf Market - Shipping Manager

Salt Lake City, UT • 11/2019 - 05/2022

- Implemented new systems, processes, and metrics to improve the shipping area.
- Solved team member problems born daily from a fast growing company.
- Found bugs and tested new IT tools for the shipping department.
- Oversaw day-to-day shipping for more than 1500 - 2000 packages per day.

CarMax - Reconditioning/Mechanical Associate

South Jordan, UT • 12/2016 - 11/2019

- Ensured that 22-24 vehicles a day passed inspections and repairs.
- Solved daily challenges as they arose to still meet deadlines and meet quality standards.
- Helped other team members when they fell behind in other areas.
- Communicated clearly with the team as issues surfaced in my own area that required extra attention.
